

# TABLE OF CONTENTS

Preface .....	iii	Infectious Diseases II .....	61
Disclosure of Potential Conflicts of Interest .....	iv	Faculty Panel .....	63
Continuing Pharmacy Education and Recertification Instructions. v			
Infectious Diseases I.....	1		
Faculty Panel .....	3		
<b>SKIN AND SOFT TISSUE INFECTIONS</b>		<b>ANTIMICROBIAL RESISTANCE</b>	
<i>By Elias B. Chahine, Pharm.D., BCPS (AQ-ID); and Allana J. Sucher, Pharm.D., BCPS</i>		<i>By Kristi M. Kuper, Pharm.D., BCPS; and Amy N. Schilling, Pharm.D., BCPS</i>	
Learning Objectives.....	5	Learning Objectives .....	65
Introduction.....	5	Introduction.....	65
Epidemiology .....	6	Conclusion .....	82
Causative Organisms .....	7	References .....	82
Treatment .....	8	Self-Assessment Questions.....	87
Infections in the Outpatient Setting .....	8		
Infections in Both the Outpatient and Inpatient Settings .....	14		
New Antibiotics.....	18		
Prevention.....	19		
Antimicrobial Stewardship.....	20		
Conclusion.....	21		
References.....	21		
Self-Assessment Questions .....	24		
<b>INTRABDOMINAL INFECTIONS</b>		<b>INVASIVE FUNGAL INFECTIONS</b>	
<i>By David T. Bearden, Pharm.D.</i>		<i>By Russell E. Lewis, Pharm.D., FCCP, BCPS (AQ-ID)</i>	
Learning Objectives.....	29	Learning Objectives.....	93
Introduction .....	29	Introduction .....	93
Treatment .....	30	Epidemiology .....	94
Quality Improvement .....	36	Antifungal Resistance Update .....	98
Conclusion .....	38	Management of Invasive Fungal Infections.....	100
References .....	38	New Triazole Antifungals and Formulations.....	108
Self-Assessment Questions .....	40	Conclusion .....	109
		References .....	109
		Self-Assessment Questions .....	112
<b>BONE AND JOINT INFECTIONS</b>		<b>TUBERCULOSIS</b>	
<i>By Sandy J. Estrada, Pharm.D., BCPS (AQ-ID)</i>		<i>By Alexandria Garavaglia Wilson, Pharm.D., BCPS (AQ-ID)</i>	
Learning Objectives.....	45	Learning Objectives.....	117
Introduction .....	45	Introduction .....	117
Septic Arthritis .....	45	Clinical Presentation and Diagnosis .....	118
Osteomyelitis .....	47	Treatment .....	120
Prosthetic Joint Infections.....	49	Drug-resistant TB .....	126
Antimicrobial Selection Considerations .....	51	Special Populations .....	130
Conclusion .....	54	Monitoring .....	131
References .....	54	Conclusion .....	132
Self-Assessment Questions .....	56	References .....	132
		Self-Assessment Questions .....	134

Infectious Diseases III .....	139
Faculty Panel .....	141

## **INFECTIONS IN PATIENTS WITH MALIGNANCIES**

*By Melissa Badowski, Pharm.D., BCPS*

Learning Objectives.....	143
Introduction.....	143
Febrile Neutropenia.....	145
Hematopoietic Growth Factors in FN .....	157
Nonpharmacologic Management of FN.....	158
Conclusion.....	158
References.....	158
Self-Assessment Questions.....	161

## **ADVANCES IN HEPATITIS C THERAPY**

*By Michelle T. Martin, Pharm.D., BCPS, BCACP;  
and Ian R. McNicholl, Pharm.D., FCCP, BCPS (AQ-ID), AAHIVP*

Learning Objectives.....	167
Introduction.....	167
Clinical Evaluation and Diagnosis.....	169
Treatment .....	171
Special Populations.....	179
Patient and Provider Education.....	181
Monitoring .....	182
Investigational Treatment Agents .....	185
Conclusion.....	185
References.....	185
Self-Assessment Questions.....	188

## **HIV INFECTION**

*By Craig R. Ballard, Pharm.D., AAHIVP;  
and Lucas Hill, Pharm.D., AAHIVP*

Learning Objectives .....	193
Introduction.....	193
Treatment .....	197
New Antiretrovirals.....	200
Coinfection Management.....	205
Pre-exposure Prophylaxis.....	206
Postexposure Prophylaxis.....	207
Conclusion.....	208
References.....	211
Self-Assessment Questions.....	214

Infectious Diseases IV .....	221
Faculty Panel .....	223

## **CNS INFECTIONS IN IMMUNOCOMPETENT HOSTS**

*By P. Brandon Bookstaver, Pharm.D., FCCP, BCPS (AQ-ID),  
AAHIVP; and April Miller Quidley, Pharm.D., FCCM, BCPS*

Learning Objectives.....	225
Introduction.....	225
Pathophysiology.....	227
Clinical Presentation and Diagnosis of CNS Infections .....	227
Management of CNS Infections.....	229
Conclusion.....	238
References .....	239
Self-Assessment Questions.....	242

## **FOOD- AND WATERBORNE ILLNESSES**

*By Allana J. Sucher, Pharm.D., BCPS; and Elias B. Chahine,  
Pharm.D., BCPS (AQ-ID)*

Learning Objectives.....	247
Introduction .....	247
Etiology .....	247
Epidemiology .....	249
Transmission.....	250
Risk Factors.....	250
Diagnostic Considerations .....	251
Pathophysiology, Presentation, and Course of Illness .....	251
Treatment .....	255
Prevention.....	260
Conclusion .....	262
References.....	263
Self-Assessment Questions.....	264

## **QUALITY AND SAFETY IN ANTIMICROBIAL PRACTICE**

*By Monica V. Mahoney, Pharm.D., BCPS (AQ-ID); and Christopher  
McCoy, Pharm.D., BCPS*

Learning Objectives.....	269
Introduction.....	269
FDA Warnings .....	270
Antimicrobial Stewardship Legislation and Support .....	275
Antimicrobial Restrictions in Agriculture .....	279
Measuring Quality.....	280
Conclusion.....	286
References.....	286
Self-Assessment Questions.....	290
