

## **Financial Support for the 2008 Annual Meeting**

### **Non-continuing Pharmacy Education Activities**

The American College of Clinical Pharmacy wishes to thank the following supporters of these non-continuing education activities and services available at the Annual Meeting. We are very grateful for their support.

Cyber Café: Amgen, Inc.  
Fellows Dinner: Amgen, Inc.

Registration Tote Bags: ARCA biopharma

Infectious Diseases Practice and Research Network Business Meeting and Networking Forum: Cubist Pharmaceuticals

Badge lanyards: Hospira, Inc.

Education and Training Practice and Research Network Business Meeting and Networking Forum: Walgreens

### **Continuing Pharmacy Education**

The American College of Clinical Pharmacy maintains full and independent control of its continuing pharmacy education activities, including identification of continuing pharmacy education needs; determination of educational objectives; selection and presentation of content; selection of all persons and organizations in a position to control the content of the continuing pharmacy education activity; selection of educational methods; and evaluation of the activity. The following continuing pharmacy education activities at the 2008 Annual Meeting have been supported by educational grants from external commercial supporters.

Current Challenges in Organ Transplantation: Astellas

Current Topics in Ambulatory Cardiology: AstraZeneca

Oral Chemotherapy: Outcomes, Advantages, and Challenges: Genentech BioOncology and OSI Oncology
