2011 ACCP Annual Meeting

Sunday, October 16–Wednesday, October 19

Join your colleagues, friends, and mentors at the 2011 ACCP Annual Meeting, October 16–19, 2011, in Pittsburgh, Pennsylvania.

The ACCP Annual Meeting is clinical pharmacy's most anticipated event for national and international practitioners, educators, residents, fellows, and students. The ACCP Annual Meeting offers world-class educational programming on the most topical issues, exceptional sessions on professional development, and unmatched opportunities for networking.

The venue for the 2011 ACCP Annual Meeting is Pittsburgh, Pennsylvania, which offers a booming downtown and a vast cultural and entertainment district, making it an incredible meeting and vacation destination. Bring your family and spend a few extra days experiencing contemporary art and popular culture at the Andy Warhol Museum and exploring local attractions such as the downtown Cultural District, a performance mecca for local and national talent and home to hundreds of restaurants and specialty shops.

Continuing Pharmacy Education Credit

The American College of Clinical Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. The 2011 ACCP Annual Meeting will provide up to 16.0 contact hours of continuing pharmacy education credit. Up to 7.0 additional contact hours are possible through participation in premeeting symposia.

Target Audience

The ACCP Annual Meeting is designed for clinical practitioners, educators, residents, fellows, and pharmacy students engaged in all aspects of clinical pharmacy.

Program Goals

The educational program developed for the ACCP Annual Meeting provides attendees with new, high-quality information that is both challenging and applicable in their practice. The program goals are to:

- update clinical pharmacists on new therapeutic advances and management strategies;
- enhance attendees' clinical, research, teaching, and leadership skills;
- discuss the challenges of expanding the scope of pharmacy practice and emerging practice models; and
- present opportunities in clinical pharmacy and global health.

For complete information on the goals, learning objectives, faculty, and schedule of each continuing pharmacy education activity, the registration fees, and the process required to receive continuing pharmacy education credit, consult the ACCP Web site at www.accp.com/am.

Curricular Tracks

The core programming at each ACCP Annual Meeting consists of curricular tracks on emerging professional issues. Build your 2011 ACCP Annual Meeting itinerary around these curricular tracks, each designed to stimulate in-depth learning:

- The Immunologic Basis of Pathophysiology and Therapeutics
- Innovative Pharmacy Practices and Expanding the Scope of Pharmacy Practice
- Clinical Pharmacy and Global Health

Keynote Address

“The Role of Clinical Pharmacy in Emergency Preparedness and Response”

Sunday, October 16, 2011: 8:00 a.m.

Debra A. Yeskey, Pharm.D., Director, Regulatory and Quality Affairs Division, Biomedical Advanced Research and Development Authority, Office of the Assistant Secretary for Preparedness and Response, U.S. Department of Health and Human Services, Washington, DC

Plan to attend the keynote address as Dr. Yeskey discusses the roles of clinical pharmacists in preparing for, and providing pharmacy services in the event of, a natural disaster, epidemic, or terrorist attack. Dr. Yeskey will review logistic approaches to initiating medical care in disaster situations and describe opportunities for professional organizations to support pharmacist involvement in disaster and emergency preparedness.

PRN Focus Sessions

The 2011 ACCP Annual Meeting agenda includes 23 educational activities developed by ACCP’s Practice and Research Networks (PRNs). These specialty sessions will present the latest information on topics in a variety of therapeutic and practice areas.

Additional Programming

Cardiology PRN and American Heart Association Focus Session—The “Me” Generation of Health Care: Personalized Medicine in Cardiovascular Disease

This educational session, developed by the Cardiology PRN in collaboration with the American Heart Association, will broaden the practitioner’s understanding of the role of warfarin and clopidogrel pharmacogenomic monitoring in current clinical practice.

Critical Care PRN and Society of Critical Care Medicine Focus Session—Sedation and Delirium in the ICU: Review of the 2011 SCCM Guidelines

The Critical Care PRN in collaboration with Society of Critical Care Medicine (SCCM) will review major sections of the 2011 SCCM Guidelines on Sedation, which will assist critical care practitioners in establishing appropriate assessment and treatment strategies to optimize patient outcomes.

Immunology/Transplantation PRN and American Society of Transplantation Focus Session—Symposium on the Management of Complications After Organ Transplantation

The Immunology/Transplantation PRN in collaboration with American Society of Transplantation will provide a cutting-edge transplantation symposium focused on managing complications that may occur after organ transplantation and discuss transplant issues relevant to non-transplant pharmacists.

Programming Approved for Specialty Recertification

The Oncology Pharmacy Specialty Sessions for BCOP Recertification

Board Certified Oncology Pharmacists (BCOPs) and other participants interested in oncology pharmacy should plan to attend the Oncology Pharmacy Specialty Sessions, developed by ACCP and HOPA (the Hematology/Oncology Pharmacy Association). The Board of Pharmacy Specialties has approved this programming for credit toward recertification in oncology pharmacy. These sessions will provide 6.0 hours toward recertification in oncology pharmacy. Partial credit is not available. The sessions will be presented on Tuesday, October 18, from 1:30 p.m. to 4:30 p.m., and on Wednesday, October 19, from 9:00 a.m. to noon. BCOPs must attend both sessions and successfully complete a Web-based posttest by December 31, 2011, to earn credit toward recertification in oncology pharmacy. To learn more about the Oncology Pharmacy Specialty Sessions and how to earn BCOP recertification credit, please visit <http://www.accp.com/careers/boardbcop.aspx>.

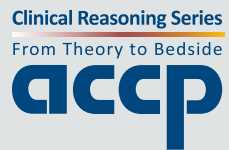

There is a separate fee to access the Web-based posttest.

From Theory to Bedside: Clinical Reasoning Series— Oral Antithrombotic Therapy (A Premeeting Symposium for BCPS Recertification)

The newly developed Clinical Reasoning Series, to be presented as a presymposium on Saturday, October 15, from 8:30 a.m. to 4:30 p.m., has been approved by the Board of Pharmacy Specialties for credit toward recertification as a Board Certified Pharmacotherapy Specialist (BCPS).

The Clinical Reasoning Series will provide an overview of new and emerging oral antithrombotic agents and discuss their clinical use to help inform individual patient care and institutional formulary decisions. The program will offer 6.0 hours of BCPS recertification credit. To earn recertification credit for the Clinical Reasoning Series, BCPSs must attend the full live program and successfully complete the Web-based posttest for the program. To learn more about the Clinical Reasoning Series and how to earn BCPS recertification credit, please visit <http://www.accp.com/careers/boardbcps.aspx>.

There is a separate registration fee to attend the Clinical Reasoning Series.

The ACCP Academy provides flexible, curricular-based professional development activities leading to a certificate of completion in four tracks: Career Advancement (formerly Clinical Practice Advancement), Leadership and Management, Research and Scholarship, and Teaching and Learning. Graduates unanimously agree that participating in the ACCP Academy has improved their practice. The 2011 ACCP Annual Meeting includes several activities available for Academy credit:

Career Advancement Certificate Program

- Clinical Practice Primer 
- Clinical Career Advancement
- Curricular Track II—Challenges to Expanding the Scope of Clinical Pharmacy (Elective) 
- Curricular Track II—Pearls from Innovative Practice Models (Elective) 

Leadership and Management Certificate Program

- Personal Leadership Development
- The Attributes of a Leader
- Principles and Practices for Getting Things Done Within Organizations (Elective)
- So You Think You Know How to... Write a Recommendation Letter, Interview Someone, and Conduct a Performance Review (Elective) 

Research and Scholarship Certificate Program

- Regulatory/Ethical Issues 
- Basics of Clinical Research
- ACCP Research Institute—Clinical Practice to Research (Elective)
- Methodological Approaches to Studying Medication Safety (Elective)

Teaching and Learning Certificate Program

- Basic Training for New Clinical Faculty and Preceptors 
- Implementing Teaching and Learning Strategies
- Education and Training PRN Focus Session—Pharmacy Teaching in Experiential Settings (Elective)
- How to Promote Consistency in Grading (Elective)

 *These educational sessions will be presented as premeeting symposia on Saturday, October 15, and require separate registration.*

 *Developed by the 2011 Annual Meeting Program Committee and approved for elective credit.*

Participants need not be enrolled in an Academy certificate program to attend these activities and receive continuing pharmacy education credit. However, those who are enrolled in the Academy can receive credit toward their certificate of completion. For complete information on the Academy certificate programs, visit the ACCP Web site at www.accp.com/academy.

Scientific Poster and Platform Presentations

Scientific Poster Presentations

Scientific Poster Presentations, I
Monday, October 17: 11:30 a.m.–1:15 p.m.

These projects will feature a variety of different research topics, methodologies, and outcomes. On Monday, October 17, don't miss The Great Eight, which will feature the Best Papers of the 2011 Annual Meeting.

Programming for Students and Postgraduate Trainees

Career Development Symposium

Saturday, October 15 • 2:00 p.m.–4:30 p.m.

Chart your course for postgraduate training by attending this Career Development Symposium designed specifically for students. This symposium will allow the attendee to interact directly with current clinical pharmacy residents in PGY1 and PGY2 programs. During this session, you will acquire tips and strategies to employ when creating your curriculum vitae, gain key insights into navigating the residency matching process, and learn helpful tools and strategies to make the most of your postgraduate training experience.

Career Development Roundtable Session

Sunday, October 16 • 2:30 p.m.–4:00 p.m.

Join fellow attendees as Dr. Joseph DiPiro, Pharm.D., FCCP, opens this dynamic session with insights on career pathways and opportunities within the clinical pharmacy profession. Students and postgraduate trainees will interact directly with clinical pharmacists in 18 specialty practice areas and discover a variety of unique career opportunities.

Residency and Fellowship Forum

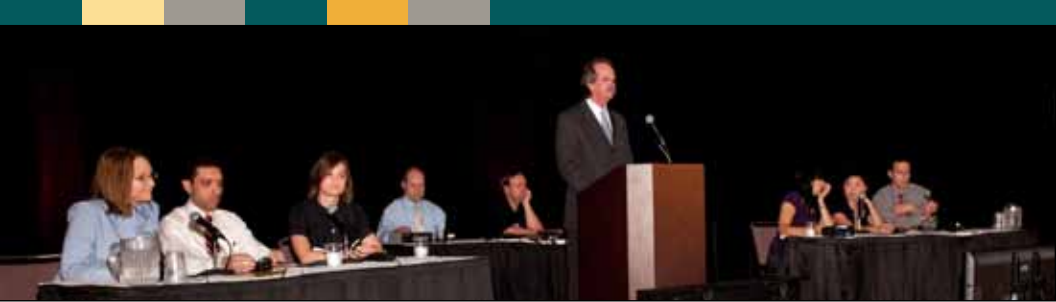

Monday, October 17 • 8:00 a.m.–10:00 a.m.

Held exclusively at the ACCP Annual Meeting, the Residency and Fellowship Forum offers students and residents a chance to jump-start their search for a residency or fellowship position. Likewise, preceptors can get a head start on finding the right candidate(s) for their institution. Opportunities for PGY1, PGY2, and fellowship positions will be on display at this event. You must be registered for no less than a one-day registration for Monday, October 17, of the Annual Meeting to be eligible to attend the forum. For complete information on the residency and fellowship forum, visit the website at www.accp.com/meetings/am11/resfelforum.aspx

Everything's an Interview: From Professional Networking to the On-site Interview

Monday, October 17 • 1:30 p.m.–2:15 p.m.

Attention postgraduate trainees: Come and learn from a recent graduate and an experienced administrator about how to maximize your networking opportunities at professional meetings. Determine how to carefully plan your meeting experience and optimize interactions at receptions, poster presentations, and unplanned opportunities. Receive both the interviewer's and the interviewee's perspective on on-site interviews as well. Discover how to obtain, prepare for, successfully execute, and effectively follow up with the on-site interview.

Final Round of the 2010 ACCP Clinical Pharmacy Challenge

Second Annual ACCP Clinical Pharmacy Challenge

Join fellow attendees for the Second Annual ACCP Clinical Pharmacy Challenge as national student teams compete in the quarterfinal, semifinal, and final round competitions. Teams will face off in a quiz bowl-type format, answering questions in three distinct categories—Trivia/Lightning, Clinical Case, and Jeopardy-style. An expert panel of clinical pharmacy practitioners and educators has developed and reviewed the item content used in each segment.

The schedule for the quarterfinal, semifinal, and final rounds is as follows:

Saturday, October 15

9:45 a.m.–12:30 p.m. ACCP Clinical Pharmacy Challenge Quarterfinals

Sunday, October 16

4:30 p.m.–5:45 p.m. ACCP Clinical Pharmacy Challenge Semifinals

Monday, October 17

11:00 a.m.–11:30 a.m. ACCP Clinical Pharmacy Challenge Finals

Preliminary competition rounds will be conducted online in September. To receive more information about the Clinical Pharmacy Challenge or to register a team, please visit www.accp.com/stunet/compete/overview.aspx.
