2012 ACCP Annual Meeting

Sunday, October 21–Wednesday, October 24

Join your colleagues, friends, and mentors at the 2012 ACCP Annual Meeting, October 21–24, 2012, in Hollywood, Florida.

The ACCP Annual Meeting is clinical pharmacy's most anticipated event for national and international practitioners, educators, residents, fellows, and students. The ACCP Annual Meeting offers world-class educational programming on the most topical issues and unmatched networking opportunities.

The venue for the 2012 ACCP Annual Meeting is the prestigious Westin Diplomat in Hollywood, Florida. Hollywood offers breathtaking ocean views, a multicultural mix of waterfront restaurants and shops, and a trendy, redeveloped downtown area. Bring your family and spend a few extra days exploring Hollywood's one-of-a-kind oceanfront promenade, the Hollywood Beach Broadwalk, which stretches more than two miles along the Atlantic.

Continuing Pharmacy Education Credit

The American College of Clinical Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education (CPE). The 2012 ACCP Annual Meeting will provide up to 16.0 contact hours of CPE credit. Up to 6.0 additional contact hours are possible through participation in

premeeting symposia. For complete information on each CPE activity's goals, learning objectives, faculty, and schedule; registration fees; and process required to receive CPE credit, consult the ACCP Web site at www.accp.com/am.

Curricular Tracks

The core programming at each Annual Meeting consists of cutting-edge curricular tracks that focus on emerging clinical and professional issues. Build your 2012 Annual Meeting itinerary around these curricular tracks, each designed to stimulate in-depth learning:

- Expanding the Role of Pharmacists in Ensuring Optimal Healthcare Outcomes
- Developing New Corridors to Grow the Future of Pharmacy—Clinical Pharmacy Research
- Addressing Controversies in the Management of Chronic Disease

PRN Focus Sessions

The 2012 ACCP Annual Meeting agenda includes 21 educational programs developed by ACCP's Practice and Research Networks (PRNs). These specialty sessions will present the latest information on topics in many different therapeutic and practice areas.

Joint Programming

2012 American College of Clinical Pharmacy and the Heart Failure Society of America Heart Failure Symposium

Don't miss the educational symposium developed jointly by the American College of Clinical Pharmacy and the Heart Failure Society of America, which will review the most recent advances in heart failure therapy and current standards of practice and discuss the physician and pharmacist relationship within a heart failure program.

Cardiology PRN and American Society of Hypertension (ASH) Focus Session—How Low Should We Go: New Blood Pressure Goals and Other Hypertension Controversies

This educational session, developed by the Cardiology PRN in collaboration with ASH, will highlight changes in the updated treatment guidelines from the Eighth Report of the Joint National Committee on the Diagnosis, Evaluation, and Treatment of Hypertension for Classifying and Defining Blood Pressure levels for Adults (JNC8), discuss the treatment controversies for the management of hypertension in patients with multiple comorbid chronic conditions, and summarize the latest evidence on gray areas of management of patients with hypertension.

Programming Approved for Specialty Recertification

From Theory to Practice: Clinical Reasoning Series in Ambulatory Care Pharmacy—New and Emerging Therapies for the Management of Type 2 Diabetes Mellitus

(A Premeeting Symposium for BCACP Recertification)

This newly developed series, approved by the Board of Pharmacy Specialties for credit toward recertification as a Board Certified Ambulatory Care Pharmacist (BCACP), will be presented as a premeeting symposium on Saturday, October 20, from 8:30 a.m. to 4:30 p.m.

This program will provide an overview of new and emerging therapies for the management of patients with type 2 diabetes mellitus and discuss strategies that help inform individual patient care and formulary decisions. BCACPs can earn 6.0 hours of recertification credit. Partial credit is not available. To earn recertification credit for the Clinical Reasoning Series, BCACPs must attend the full live program and successfully complete the Web-based posttest for the program by November 30, 2012. To learn more about how to earn BCACP recertification credit, please visit www.accp.com/careers/boardbcacp.aspx.

A separate registration fee is required to attend From Theory to Practice: Clinical Reasoning Series.

From Theory to Bedside: Clinical Reasoning Series in Pharmacotherapy — Antimicrobial Resistance: Prevention and Management Strategies

(A Premeeting Symposium for BCPS Recertification)

The Clinical Reasoning Series will be presented for credit toward recertification as a Board Certified Pharmacotherapy Specialist (BCPS). Presented as a premeeting symposium on Saturday, October 20, from 8:30 a.m. to 4:30 p.m., this program will provide an overview of current and emerging antimicrobial resistance patterns and discuss clinical and cost-effective prevention and management strategies that help inform individual patient care and formulary decisions.

The program will offer 6.0 hours of BCPS recertification credit. Partial credit is not available. To earn recertification credit for the Clinical Reasoning Series, BCPSs must attend the full live program and successfully complete the Web-based posttest for the program by November 30, 2012. To learn more about how to earn BCPS recertification credit, please visit www.accp.com/careers/boardbcps.aspx.

A separate registration fee is required to attend From Theory to Bedside: Clinical Reasoning Series.

The Oncology Pharmacy Specialty Sessions for BCOP Recertification

Board Certified Oncology Pharmacists (BCOPs) and other participants interested in oncology pharmacy should plan to attend the Oncology Pharmacy Specialty Sessions, cosponsored by ACCP, the American Society of Health-System Pharmacists (ASHP), and the

Hematology/Oncology Pharmacy Association (HOPA). The Board of Pharmacy Specialties has approved this programming for credit toward recertification in oncology pharmacy.

The Oncology Pharmacy Specialty Sessions will provide 6.0 hours toward recertification in oncology pharmacy. Partial credit is not available. The sessions will be presented on Tuesday, October 23, from 1:30 p.m. to 4:30 p.m., and on Wednesday, October 24, from 9:00 a.m. to noon. BCOPs must attend both sessions and successfully complete a Web-based posttest by December 31, 2012, to earn credit toward recertification in oncology pharmacy. A separate fee is required to access the Web-based posttest.

To learn more about the Oncology Pharmacy Specialty Sessions and how to earn BCOP recertification credit, please visit www.accp.com/careers/boardbcop.aspx.

The ACCP Academy provides flexible, curricular-based professional development programs leading to a certificate of completion in four tracks: Career Advancement, Leadership and Management, Research and Scholarship, and Teaching and Learning. Scientific Platform Presentations will be presented Monday, October 22, and Tuesday, October 23. On Monday, October 22, during the Scientific Platform Presentation, the best poster finalists of ACCP's 2012 Virtual Poster Symposium will present their projects. These projects will feature several different research topics, methodologies, and outcomes. Finally, on Monday, October 22, attend The Great Eight, which will feature the Best Paper Finalists of the 2012 Annual Meeting.

Programming for Students and Postgraduate Trainees

Student Orientation to the Annual Meeting and Student Reception

Saturday, October 20: 4:45 p.m.–7:00 p.m.

Join fellow student attendees for the Student Orientation to the Annual Meeting. This informal session will provide you with an overview of meeting activities, pointers on how to take advantage of the full meeting schedule, and how your participation in the meeting and in ACCP can work to advance your career. The Orientation will be followed by the Student Reception, allowing students the opportunity to network and meet with the officers and leaders of the ACCP organization.

Career Development Symposium

Saturday, October 20: 2:00 p.m.–4:30 p.m.

Chart your course for postgraduate training by attending this Career Development Symposium designed specifically for students. This symposium will allow attendees to interact directly with a residency program director and current clinical pharmacy residents in PGY1 and PGY2 programs. During this session, you will gain key insights into navigating the residency matching process and learn helpful tools and strategies to make the most of your postgraduate training experience.

Career Path Roundtable Session

Sunday, October 21: 2:30 p.m.–4:30 p.m.

Join fellow attendees for this dynamic session with insights on career pathways and opportunities within the clinical pharmacy profession. Students and postgraduate trainees will interact directly with clinical pharmacists in 18 specialty practice areas and discover a variety of unique career opportunities.

Residency and Fellowship Forum

Monday, October 22: 8:00 a.m.–10:00 a.m.

Held exclusively at the ACCP Annual Meeting, the Residency and Fellowship Forum offers students and residents a chance to jump-start their search for a residency or fellowship position. Likewise, preceptors can get a head start on finding the right candidate(s) for their institution. Opportunities for PGY1, PGY2, and fellowship positions will be on display at this event. You must be registered for no less than a one-day registration for Monday, October 22, of the Annual Meeting to be eligible to attend the forum. For complete information on the residency and fellowship, visit the Web site at www.accp.com/meetings/am12/resfelforum.aspx.

Programming for Students and Postgraduate Trainees *(continued)*

Writing for Publication: How to Get Started and Excel Early in Your Career

Monday, October 22: 1:30 p.m.–3:30 p.m.

Find out how to start off on the right foot when it comes to establishing yourself as a published clinical pharmacy practitioner. Learn how to turn your current projects into publications, and understand the differences between types of journals and publications. More importantly, overcome any qualms you have about writing for publication by getting your questions answered by an expert in the field.

Third Annual ACCP Clinical Pharmacy Challenge

Join fellow attendees for the Third Annual ACCP Clinical Pharmacy Challenge as national student teams compete in the quarterfinal, semifinal, and final round competitions. Teams will face off in a quiz bowl-type format, answering questions in three distinct categories—Trivia/Lightning, Clinical Case, and Jeopardy-style. An expert panel of clinical pharmacy practitioners and educators has developed and reviewed the item content used in each segment.
