2013 ACCP ANNUAL MEETING

Sunday, October 13 - Wednesday, October 16

Join your colleagues, friends, and mentors at the 2013 ACCP Annual Meeting, October 13-16, 2013 In Albuquerque, New Mexico.

The ACCP Annual Meeting is clinical pharmacy's most anticipated event for national and international practitioners, educators, residents, fellows, and students. The ACCP Annual Meeting offers world-class educational programming on the most topical issues and unmatched networking opportunities.

The venue for the 2013 ACCP Annual Meeting is Albuquerque, New Mexico, which offers an exciting blend of scenic natural attractions, centuries of art and culture, and a wide array of shopping and dining options, making it an exciting meeting and vacation destination. Bring your family and spend a few extra days experiencing the authentic Southwest by visiting nearby historic landmarks; riding the Sandia Peak Aerial Tramway, North America's longest single-span aerial tram; or exploring the city's thriving art scene, world-class museums, and performing arts.

Continuing Pharmacy Education Credit

The American College of Clinical Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education (CPE). The 2013 ACCP Annual Meeting will provide up to 18.0 contact hours of CPE credit. Up to 8.0 additional contact hours are possible through participation in premeeting symposia.

Meeting Goals and Target Audience

The ACCP Annual Meeting is designed for clinical practitioners, educators, residents, fellows, and pharmacy students engaged in all aspects of clinical pharmacy.

The educational program developed for the ACCP Annual Meeting provides attendees with new, high-quality information that is both challenging and applicable to their practice. The program goals are as follows:

- To update clinical pharmacists on new therapeutic advances and management strategies;
- To enhance attendees' clinical, research, teaching, and leadership skills;
- To discuss the challenges of expanding the scope of pharmacy practice and emerging practice models; and
- To present opportunities in clinical pharmacy and global health.

For complete information on each CPE activity's goals, learning objectives, faculty, schedule, and registration fees, as well as the process required to receive CPE credit, consult the ACCP Web site at www.accp.com/am.

Curricular Tracks

The core programming at each ACCP Annual Meeting consists of cutting-edge curricular tracks that focus on emerging clinical and professional issues. Build your 2013 ACCP Annual Meeting itinerary around these curricular tracks, each designed to stimulate in-depth learning:

- Challenges in Drug Dosing for Complicated Patient Populations
- Financial Support for Clinical Pharmacy Services in an Evolving Health Care Paradigm
- Pharmacy-Based Clinical and Translational Science: Opportunities for Innovative Practice and Research

Keynote Address

"Let's Do It Together! Collaborative Leadership, Shared Professionalism, and Improving Outcomes Through High-Functioning Health Care Teams"

Sunday, October 13: 8:00 a.m.-9:00 a.m.

- *Matthew Wynia, M.D., MPH, FACP, Director, Physician and Patient Engagement for Improving Health Outcomes, American Medical Association, Chicago Illinois*

Plan to attend the keynote address as Dr. Wynia identifies the fundamental principles and values of effective team-based health care and the specific ways in which the use of team values and skills can improve outcomes for patients with hypertension and other clinical conditions. He will discuss major opportunities and challenges in the health professions when educating and training health professionals on team values and skills. Dr. Wynia will also discuss the concept of "shared professionalism" and its vital importance for a more effective health care system.

PRN Focus Sessions

The 2013 ACCP Annual Meeting agenda includes 21 educational activities developed by ACCP's Practice and Research Networks (PRNs). These specialty sessions will present the latest information on topics in many different therapeutic and practice areas.

Programming Approved for Specialty Recertification

Clinical Reasoning Series

From Theory to Practice: Clinical Reasoning Series in Ambulatory Care Pharmacy—Evidence-Based Screening and Prevention Strategies

Saturday, October 12: 8:30 a.m.–4:30 p.m.

The Clinical Reasoning Series is approved by the Board of Pharmacy Specialties for the recertification of Board Certified Ambulatory Care Pharmacists (BCACPs). This year's program will provide an overview of contemporary evidence-based screening and prevention strategies for cardiovascular diseases, type 2 diabetes mellitus, and chronic kidney disease in the ambulatory care setting.

BCACPs can earn 6.0 hours of recertification credit. Partial credit is not available. To earn recertification credit for the Clinical Reasoning Series at the ACCP Annual Meeting, BCACPs must attend the full live program and successfully complete the Web-based posttest for the program by November 30, 2013. To learn more about earning BCACP recertification credit, please visit www.accp.com/careers/boardbcacp.aspx.

A separate registration fee is required to attend the From Theory to Practice: Clinical Reasoning Series in Ambulatory Care Pharmacy. See page 17 for registration rates.

From Theory to Bedside: Clinical Reasoning Series in Pharmacotherapy—Pain, Agitation, and Delirium in the Intensive Care Unit

Saturday, October 12: 8:30 a.m.–4:30 p.m.

Now in its third year, the Clinical Reasoning Series for the recertification of Board Certified Pharmacotherapy Specialists (BCPSs) will be offered once again. This year's program will provide an overview of contemporary strategies for the assessment and optimal management of pain, agitation, and delirium that help inform individual patient care and formulary decisions.

The program will offer 6.0 hours of BCPS recertification credit. Partial credit is not available. To earn recertification credit for the Clinical Reasoning Series at the ACCP Annual Meeting, BCPSs must attend the full live program and successfully complete the Web-based posttest for the program by November 30, 2013. To learn more about earning BCPS recertification credit, please visit www.accp.com/careers/boardbcps.aspx.

A separate registration fee is required to attend From Theory to Bedside: Clinical Reasoning Series. See page 17 for registration rates.

The Oncology Pharmacy Specialty Sessions for BCOP Recertification

Tuesday, October 15: 1:30 p.m.–4:30 p.m.;

Wednesday, October 16: 9:00 a.m.–12:00 p.m.

Board Certified Oncology Pharmacists (BCOPs) and other participants interested in oncology pharmacy should plan to attend the Oncology Pharmacy Specialty Sessions, cosponsored by ACCP, ASHP, and the Hematology/Oncology Pharmacy Association (HOPA). The Board of Pharmacy Specialties has approved this programming for credit toward recertification in oncology pharmacy.

The Oncology Pharmacy Specialty Sessions will provide 6.0 hours toward recertification in oncology pharmacy. Partial credit is not available. The sessions will be presented on Tuesday, October 15, 1:30 p.m.–4:30 p.m., and on Wednesday, October 16, 9:00 a.m.–noon. BCOPs must attend both sessions and successfully complete a Web-based posttest by December 31, 2013, to earn credit toward recertification in oncology pharmacy. A separate fee is required to access the Web-based posttest. To learn more about the Oncology Pharmacy Specialty Sessions and earning BCOP recertification credit, please visit www.accp.com/careers/boardbcop.aspx.

ACCP Academy

The ACCP Academy provides flexible, curricular-based professional development programs leading to a certificate of completion in four tracks: Career Advancement, Leadership and Management, Research and Scholarship, and Teaching and Learning. Graduates unanimously agree that participating in the ACCP Academy improved their practice. The 2013 ACCP Annual Meeting will include several programs available for Academy credit:

Career Advancement Certificate Program

Scientific Poster and Platform Presentations

Scientific Poster Presentations

Scientific Poster Presentations I and Lunch
Monday, October 14: 11:30 a.m.–1:15 p.m.

Scientific Poster Presentations II and Breakfast
Tuesday, October 15: 8:00 a.m.–10:00 a.m.

Scientific Poster Presentations III
Wednesday, October 16: 8:00 a.m.–10:00 a.m.

Visit the Fran Hill Northeast Exhibit Hall in the Albuquerque Convention Center for the Scientific Poster Presentations on Monday, October 14; Tuesday, October 15; and Wednesday, October 16. Original research that describes the delivery, development, justification, or documentation of innovative clinical pharmacy services will be on display each day. On Monday, October 14, research presented by students, residents, and fellows will be featured.

Scientific Paper Platform Presentations

Scientific Paper Platform Presentations I
Monday, October 14: 9:15 a.m.–11:15 a.m.

Scientific Paper Platform Presentations II
Tuesday, October 15: 10:15 a.m.–12:15 p.m.

The Great Eight—2013 ACCP Annual Meeting Best Paper Presentations
Monday, October 14: 1:30 p.m.–3:30 p.m.

Scientific Platform Presentations will be presented Monday, October 14, and Tuesday, October 15. On Monday, October 14, during the Scientific Paper Platform Presentations, the best poster finalists of ACCP's 2013 Virtual Poster Symposium will present their projects. These projects will feature several different research topics, methodologies, and outcomes. On Monday afternoon, October 14, attend The Great Eight, which will feature the Best Papers of the 2013 ACCP Annual Meeting.

Programming for Students and Postgraduate Trainees

Emerge from the Crowd: How to Become a Standout Residency Candidate

Saturday, October 12: 1:00 p.m.-7:00 p.m.

Learn from experts in the field of clinical pharmacy about the steps you can take now to rise above the competition when applying for a residency. Topics will include defining your goals, maximizing experiential education opportunities, gaining valuable professional experience, engaging in scholarly activity, and navigating the residency application process. Attendees will also have the opportunity to sit down face-to-face with current residents and clinical pharmacy professionals to learn more from their perspectives during a special roundtable session.

Clinical Pharmacy Career Path Roundtables

Sunday, October 13: 2:15 p.m.-4:15 p.m.

Join fellow attendees for this dynamic session with insights on career pathways and opportunities within the clinical pharmacy profession. Students and postgraduate trainees will interact directly with clinical pharmacists in more than 15 specialty practice areas and discover a variety of unique career opportunities.

ACCP Residency and Fellowship Forum

Monday, October 14: 8:00 a.m.-10:00 a.m.

Held exclusively at the ACCP Annual Meeting, the Residency and Fellowship Forum offers students and residents a chance to jump-start their search for a residency or fellowship position. Likewise, preceptors can get a head start on finding the right candidate(s) for their institution. Opportunities for PGY1, PGY2, and fellowship positions will be on display at this event. You must be registered for no less than a 1-day registration for Monday, October 14, of the ACCP Annual Meeting to attend the forum. For complete information on the Residency and Fellowship Forum, visit the Web site at www.accp.com/meetings/am13/resforum.aspx.

Just Starting Your Pharmacy Career? Use the On-ramp to Get Up to Speed

If you are a resident, fellow, or new practitioner, ACCP offers an abundance of educational programs that apply to your practice and that will further develop your career. Annual Meeting programs denoted with the merge symbol will help new practitioners gain momentum and get up to speed within the specific topic.

Curriculum Vitae and Portfolio Development Workshop

Monday, October 14: 1:30 p.m.–3:30 p.m.

A well-written curriculum vitae (CV) creates a positive image and distinguishes you from the crowd. Participate in a CV writing and portfolio development session that will prepare you to market your skills and experience effectively. Learn to document the unique experiences that can distinguish you from other applicants.

Education and Training PRN Mock-Interviewing Session

Monday, October 14: 6:00 p.m.–9:00 p.m.

Join fellow attendees for a brief discussion on interviewing skills immediately after the Education and Training PRN Business Meeting. Clinical faculty and practitioners from around the nation will then conduct practice interviews for students preparing to apply for jobs or residencies and for residents and fellows preparing to apply for their first career positions. All educators, students, and postgraduate trainees are invited to attend.

ACCP Clinical Pharmacy Challenge

Join fellow attendees for the ACCP Clinical Pharmacy Challenge as national student teams compete in the quarterfinal, semifinal, and final round competitions. Teams will face off in a quiz bowl-type format, answering questions in three distinct categories—Trivia/Lightning, Clinical Case, and Jeopardy-style. An expert panel of clinical pharmacy practitioners and educators has developed and reviewed the item content used in each segment.

Clinical Pharmacy Challenge Schedule

Saturday, October 12

9:00 a.m.–11:45 a.m. ACCP Clinical Pharmacy Challenge Quarterfinals

Sunday, October 13

4:30 p.m.–5:45 p.m. ACCP Clinical Pharmacy Challenge Semifinals

Monday, October 14

11:00 a.m.–11:30 a.m. ACCP Clinical Pharmacy Challenge Final

Preliminary competition rounds will be conducted online in September. To receive more information about the Clinical Pharmacy Challenge or to register a team, please visit www.accp.com/stunet/compete/overview.aspx.
