You'll dine on exquisite Italian cuisine, including many wood-fired specialties, beneath softly glowing torches while overhead, the sky scene drifts from starry twilight to a delicately lighted dawn, all choreographed to classic Italian music. In the center of the top dining tier, a large statue of the Roman hero, Antinous, and two maidens slowly revolves as a dazzling light and sound show unfolds. Meanwhile, our master chefs skillfully prepare each course in the adjoining exhibition kitchen. Handcrafted pastas and fresh seafood are grilled over mesquite as vine-ripened garden vegetables are roasted to perfection. Exotic sauces simmer to bring out every nuance of flavor. Uniquely inventive desserts are personally created by our award-winning pastry chef. To top off the meal, sip on wine from our exclusive and extensive Italian wine list.
