

Program Goals and Target Audience

ACCP Updates in Therapeutics®: The Pharmacotherapy Preparatory Review and Recertification Course is designed to help pharmacists who are preparing for the Board of Pharmacy Specialties certification examination in Pharmacotherapy, and for Board Certified Pharmacotherapy specialists who are pursuing recertification in pharmacotherapy as well as those seeking a general review and refresher on disease states and therapeutics. The program goals are:

1. To present a high-quality, up-to-date overview of disease states and therapeutics;
2. To provide a framework to help attendees prepare for the specialty certification examination in pharmacotherapy or recertification as a Board Certified Pharmacotherapy specialists; and
3. To offer participants an effective learning experience using a case-based approach with a strong focus on the thought processes needed to solve patient care problems in each therapeutic area.
