CLINICAL PHARMACY PRACTICE AND RESEARCH:

Question Number

1. (P) Clinical Pharmacy Service Programs: 1. _____ (Maximum Award = 15 points)
 - 10.0 – First nationally to establish the role for clinical pharmacy.
 - 10.0 – The service program (subjective impression of evaluator) is/was unique and/or innovative.
 - 5.0 – The role has been subsequently transferred to other sites (shows acceptance by profession).
 - 10.0 – The impact of the service program has been documented/evaluated in terms of acceptance by other health professionals, cost-savings, impact on patient health care. Documentation must be published to receive the full ten (10) points.
 - 5.0 – The applicant has received an award or professional recognition for clinical service activities.
 - 5.0 – The applicant has maintained a sustained practice in the service area.
2. (P) Patient Education Service Programs: 2. _____ (Maximum Award = 10 points)
 - 10.0 – First nationally to establish the role for clinical pharmacy.
 - 10.0 – The service program (subjective impression of evaluator) is/was unique and/or innovative.
 - 5.0 – The role been subsequently transferred to other sites (shows acceptance by profession).
 - 10.0 – The impact of the service program been documented/evaluated in terms of acceptance by other health professionals, cost-savings, and impact on patient health care. Documentation must be published to receive full ten (10) points.
3. (P) Documentation of Clinical Competence: 3. _____ (Maximum Award = 10 points)
 - 5.0 Board certification in Pharmacotherapy or one of the other BPS-recognized specialties. Can add an additional four (4) points if Board certified in more than one BPS specialty, or two (2) additional points if obtained Added Qualifications (when applicable – i.e., prior to 2025).
 - 0–5.0 Three (3) points for CDE or other national certification, one (1) point for disease-specific certification, BLS, or ACLS.
 - 0–5.0 Credentialing/privileging within the nominee's institution/organization (two (2) points for each institution/organization).
4. (P) Initiation and Monitoring of Drug Therapy: 4. _____ (Maximum Award = 15 points)
 - 10–15 Functions as independent prescriber for medication-related outcomes as authorized by CDTM agreement/CPA and/or privileges granted by the organization/practice/health system (i.e., does not follow standard protocols).
 - 5–10 Follows protocols which were prepared by applicant and then approved by institution.
 - 0–5.0 Follows protocols which someone else has prepared (i.e., functions as a physician extender).
 - 0.0 If purely consultative role is described.

5. (P/R) Pharmacotherapy Presentations: 5. _____ (Maximum Award = 20 points)

For each **presentation** award:

2.0 – national or international

1.0 – state or regional

For each **webinar** not of promotional or marketing nature award:

2.0 – continuing education provided (e.g., CPE, CME) to national or international audience

1.0 – continuing education provided (e.g., CPE, CME) to state or regional audience

0.5 – no continuing education provided, not of a promotional or marketing nature

6. (R) Original Research Presentations: 6. _____ (Maximum Award = 20 points)

For each **presentation** given by the applicant, award:

2.0 – national or international

1.0 – state or regional

For each **webinar** award:

2.0 – sponsored by a national or international organization

1.0 – sponsored by a state or regional organization

Do not award any points if the applicant was a secondary author on a presentation given by someone else.

7. (P/R) Service as a Consultant: 7. _____ (Maximum Award = 10 points)

10.0 – international (e.g., WHO)

10.0 – national governmental (e.g., FDA, USP, HHS, NIH, NCEP, JNC, NDEP)

5.0 – national non-governmental (e.g., pharmaceutical industry, association research institute).

Maximum of five (5) points for all pharmaceutical industry consulting (i.e., advisory boards).

Does not include speaker bureau service.

5.0 – state (e.g., formulary, board of pharmacy, state Medicaid). Maximum of five (5) points for this category.

2.0 – local (e.g., PSRO, public health, intramural grant programs)

8. (R) Research Projects: 8. _____ (Maximum Award = 20 points)

For each funded project award (please note the application has a field for the amount of the grant to be entered):

	Principal Investigator	Co-Investigator	Project Designer (industry-based)
Protocol developed by funding source.	0.5	0.25	1.0
Intramural or Industry sponsored	1.0	0.5	n/a
Foundation	2.0	1.0	n/a
Government	3.0	1.5	n/a

9. (P/R) Publications: 9. _____ (Maximum Award = 20 points)

For each publication award:

- 3.0 – book, primary/sole/senior author
- 2.5 – book, secondary author
- 2.5 – book editor
- 2.0 – book chapter, primary/sole/senior author
- 2.0 – review article, primary/sole/senior author, refereed
- 1.5 – book chapter, secondary author
- 1.5 – IND or NDA
- 1.5 – review article, secondary author, refereed
- 1.0 – case report, refereed
- 1.0 – editorial
- 0.5 – book review
- 0.5 – letter to the editor, Internet-only pub, state pharmacy organization journal paper, other (e.g., PRN or other newsletter pub)

Do not award any points for ACCP committee/task force publications or ACCP Prep Course handouts.

10. (R) Original Research Publications: 10. _____ (Maximum Award = 35 points)

For each publication of original research award:

- 2.0 – primary/sole/senior author, refereed
- 1.5 – secondary author, refereed

Do not award any points for published abstracts or research publications in non-refereed journals.

11. (P/R) Service to Publications: 11. _____ (Maximum Award = 10 points)

For each example of service to publications:

- 10.0 – editor
- 5.0 – editorial board
- 2.0 – referee

12. (P/R) Awards and Citations: 12. _____ (Maximum Award = 20 points)

2–10 Awards from organizations for practice or research accomplishments. National/state organizations usually merit more points than local organizations. Points AWARDED based on the significance of the award (see description of significance in application). No points awarded for teaching and education awards.

0.5 – for each citation of publications by other authors, from Science Citation Index (**note: ACCP staff will score this item; applicants should not attempt to provide this information**).

13. (P) Leadership: 13. _____ (Maximum Award = 15 points)

For each example of leadership service award:

2.0 – 5.0	Non-ACCP National elected office. Award points based on the office
