

TABLE OF CONTENTS

Cardiopulmonary Infections I	1
Cardiopulmonary Infections I Panel	3

Infective Endocarditis

By Twisha S. Patel, Pharm.D., BCPS, BCIDP

Introduction	7
Risk Factors	7
Pathophysiology	8
Microbiology	8
Clinical Presentation	9
Diagnosis	9
Therapeutic Management	11
Additional Treatment Considerations	17
Management Considerations	17
Conclusion	18
References	19
Self-Assessment Questions	23

Implantable Cardiac-assist Devices and Vascular Graft Infections

By Audrey Littlefield, Pharm.D., BCPS, BCCCP; and Douglas Jennings, Pharm.D., FCCP, FACC, FHSA, BCPS

Introduction	27
Cardiac Implantable Electronic Devices	28
Ventricular Assist Devices	33
Vascular Graft Infections	39
Conclusion	41
References	41
Self-Assessment Questions	44

Cardiopulmonary Infections II	47
Cardiopulmonary Infections II Panel	49

Infections in Persons Who Inject Drugs

By Tiffany Lee, Pharm.D., BCIDP; Monica V. Mahoney, Pharm.D., FCCP, BCPS, BCIDP

Introduction	53
Human Immunodeficiency Virus	55
Hepatitides	59
Bacterial and Fungal Infections	63
Sexually Transmitted Infections	69
Tuberculosis	71
Harm-Reduction Strategies	75

Conclusion	75
References	76
Self-Assessment Questions	81

Diagnostic Testing for Bacterial Pneumonia

By Nicholas Mercuro, Pharm.D., BCIDP; and Eric Wenzler, Pharm.D., BCPS, BCIDP, AAHIVP

Introduction	87
Interpreting Diagnostic Test Results for Pneumonia	89
Organism Identification	90
Application of Diagnostic Testing for Acute Bacterial Pneumonia (CABP/HABP/VABP)	93
Diagnostic Stewardship	100
Conclusion	101
References	102
Self-Assessment Questions	106

Cardiopulmonary Infections III	111
Cardiopulmonary Infections III Panel	113

Bacterial Pneumonia Treatment

By Travis M. Jones, Pharm.D.

Pneumonia	117
Community-Acquired Pneumonia	117
Pharmacologic Management	120
HAP and VAP	125
Pharmacologic Management	127
Antimicrobial Stewardship in Pneumonia	132
Conclusion	134
References	135
Self-Assessment Questions	139

Viral Pneumonia Treatment

By Angela Huang, Pharm.D., BCIDP

Introduction	143
Treatment of Seasonal Influenza A and B	144
Respiratory Syncytial Virus	152
Coronavirus Disease 2019	156
Other Respiratory Viruses	156
AMS Studies: Focus on Viral Respiratory Tract Infections	157
Conclusion	157
References	157
Self-Assessment Questions	163

Cardiopulmonary Infections IV 167
 Cardiopulmonary Infections IV Panel 169

Interactive Case: Stewardship Interventions for Optimizing Pneumonia Treatment

By Jerod Nagel, Pharm.D., BCIDP

Interactive Case: Stewardship Interventions for Optimizing
 Pneumonia Treatment 173
