Dotson; Linda Dresser; Zhe Han; Michelle Liedtke; Edo-abasi Umoh McGee; Navaneeth Narayanan; Bhavik M. Shah; Linda M. Spooner; Bryant B. Summers;

**ROLE OF BPS:** The Board of Pharmacy Specialties (BPS) is an autonomous division of the American Pharmacists Association (APhA). To maintain its strict, independent standards for certification, BPS does NOT endorse or provide review information, preparatory courses, or study guides for Board Certification Examinations. The Board, through its specialty councils, is responsible for specialty examination content, administration, scoring, and all other aspects of its certification programs. BPS is totally separate and distinct from ACCP. IDSAP has been approved by BPS for use in BCIDP recertification. Information about the BPS recertification process is available [online](#).

Questions regarding BCIDP recertification should be directed to:
