

TABLE OF CONTENTS

INFECTION PRIMARY CARE I	1
INFECTION PRIMARY CARE I PANEL.....	3

Diabetic Foot Infections

By Scott Bergman, Pharm.D., BCPS-AQ ID; and Punit J. Shah, Pharm.D., BCPS

Introduction	7
Pathogenesis	8
Assessment	9
Treatment	10
Diabetic Foot Osteomyelitis	20
Prevention	21
References	22
Self-Assessment Questions	23

Influenza

By Julie Ann Justo, Pharm.D., M.S., BCPS-AQ ID

Introduction	29
Influenza	30
Treatment of Influenza	36
Prevention	42
Antimicrobial Stewardship	45
Conclusion	46
References	46
Self-Assessment Questions	49

Community-Based Antimicrobial Stewardship

By Michael E. Klepser, Pharm.D., FCCP; and Katelin Anderson, Pharm.D.

Introduction	53
Community Stewardship Programs	55
Community Stewardship Strategies	59
Community AST	65
Funding for Community Stewardship Programs	65
National Initiatives	66
Conclusion	67
References	67
Self-Assessment Questions	70

INFECTION PRIMARY CARE II	75
INFECTION PRIMARY CARE I PANEL.....	77

Advances in Hepatitis C Therapy

By Michelle T. Martin, Pharm.D., BCPS, BCACP

Introduction	81
Clinical Evaluation and Diagnosis	84
Treatment	85
Special Populations	94
Patient and Provider Education	97
Investigational Treatment Agents	102
Conclusion	102
References	103
Self-Assessment Questions	106

HIV Pharmacotherapy

By Jessica L. Adams, Pharm.D., BCPS, AAHIVP

Introduction	111
Recommendations for Initiating ART	112
Available ARVs	114
Current Treatment Recommendations	118
Drug-Drug Interaction Considerations	122
Monitoring for Efficacy	122
HIV Prevention	123
Conclusion	128
References	129
Self-Assessment Questions	132

Vector-borne Diseases

By T. Scott Warmack, Pharm.D.; and Tiffany A. Dickey, Pharm.D.

Introduction	137
Vector-borne Viral Disease	137
Vector-borne Bacterial Disease	143
Vector-borne Spirochetal Disease	148
Vector-borne Parasitic Disease	152
Conclusion	153
References	153
Self-Assessment Questions	155
