

Zachary Noel, Pharm.D., BCPS

Assistant Professor

University of Maryland School of Pharmacy

Clinical Pharmacy Specialist, Cardiology

University of Maryland Medical Center

Baltimore, Maryland

Zachary Noel, Pharm.D., BCPS, is an Assistant Professor at the University of Maryland School of Pharmacy, Baltimore, Maryland. Additionally, he serves as a Clinical Pharmacy Specialist in Cardiology at the University of Maryland Medical Center. He obtained his Doctor of Pharmacy from the University of Kentucky College of Pharmacy in Lexington, Kentucky, and completed a pharmacy practice and cardiology specialty residency at the University of Kentucky Chandler Medical Center. He is a board-certified pharmacotherapy specialist.

Dr. Noel's practice and research interests include valvular heart disease, anticoagulation and teaching pedagogy. He is a member of the Applied Therapeutics, Research, and Instruction at the University of Maryland (ATRIUM) collaborative, which focuses on the advancement of care provided to patients with cardiovascular disease and excellence in teaching practices. He also serves as program coordinator for the Postgraduate Year 2 Cardiology Pharmacy Residency Program at the University of Maryland.
