

**Kristin Watson, Pharm.D., BCCP**

Associate Professor

University of Maryland School of Pharmacy

Baltimore, MD

Dr. Watson completed her pharmacy practice and cardiology specialty residencies at the University of Pittsburgh. She is a Board Certified Cardiology Pharmacist. She has practiced in an ambulatory care heart failure clinic for over fourteen years. For nine years, she also practiced in the inpatient setting, where she provided care for patients with numerous cardiac conditions. Dr. Watson is a co-founder of the ATRIUM Cardiology Collaborative at the University of Maryland School of Pharmacy.
