

**Zachary R. Noel, Pharm.D., BCCP**

Assistant Professor

University of Maryland School of Pharmacy

Baltimore, MD

Dr. Zachary Noel is an assistant professor at the University of Maryland School of Pharmacy and a clinical pharmacy specialist at the University of Maryland Medical Center. Dr. Noel obtained his Doctor of Pharmacy (PharmD) from the University of Kentucky College of Pharmacy in Lexington, KY. He completed a pharmacy practice and cardiology specialty residency at the University of Kentucky Chandler Medical Center. He currently practices on an adult general cardiology service where he provides clinical pharmacy services for the cardiac intensive care and step-down units. Dr. Noel's practice and research interests include arrhythmias and antithrombotic therapies. He is a member of the Applied Therapeutics, Research, and Instruction at the University of Maryland (ATRIUM) collaborative and also serves as program coordinator for the Postgraduate Year 2 Cardiology Pharmacy Residency Program at the University of Maryland.
