**Note: All relevant financial relationships listed for these individuals have been mitigated.**

**ROLE OF BPS:** The Board of Pharmacy Specialties (BPS) is an autonomous division of the American Pharmacists Association (APhA). To maintain its strict, independent standards for certification, BPS does NOT endorse or provide review information, preparatory courses, or study guides for Board Certification Examinations. The Board, through its specialty councils, is responsible for specialty examination content, administration, scoring, and all other aspects of its certification programs. BPS is totally separate and distinct from ACCP. CCSAP has been approved by BPS for use in BCCCP recertification. Information about the BPS recertification process is available [online](#).

**Questions regarding BCCCP recertification should be directed to:**
