

# TABLE OF CONTENTS

<b>Infections in Critically Ill Patients I</b> .....	1
Infections in Critically Ill Patients I Panel .....	3

## Anti-infective Therapy in Sepsis and Septic Shock

*By Jenana Maker, Pharm.D., BCPS;  
and Lauren K. Roller, Pharm.D., BCCCP*

Introduction .....	7
2021 Clinical Guideline Updates for Sepsis and Septic Shock .....	7
Empiric Anti-infective Therapy .....	10
Definitive Anti-infective Therapy .....	14
Therapy Duration .....	15
PK Considerations in Sepsis and Septic Shock .....	16
PD Considerations in Sepsis and Septic Shock .....	22
Conclusion .....	25
References .....	26
Self-Assessment Questions .....	31

## Supportive Management of Sepsis

*By Kyle J. Schmidt, Pharm.D., BCCCP;  
and Scott Bolesta, Pharm.D., FCCP, FCCM, BCPS*

Introduction .....	35
Fluid Therapy .....	38
Pharmacologic Hemodynamic and Metabolic Support .....	42
Supportive Care Measures .....	49
Conclusion .....	51
References .....	51
Self-Assessment Questions .....	55

## Infections in Critically Ill Patients II

Infections in Critically Ill Patients II Panel .....	61
--	----

## PK/PD in Patients Receiving ECMO and RRT

*By Brian M. Hoff, Pharm.D., BCIDP*

Introduction .....	65
Renal Replacement Therapy .....	66
ECMO Circuits .....	72
Considerations for Individualizing Therapy .....	74
Conclusion .....	79
References .....	79
Self-Assessment Questions .....	82

## Antimicrobial Stewardship in the ICU

*By Matthew L. Brown, Pharm.D., BCPS, BCIDP*

Introduction .....	87
AS Activities in the ICU .....	88
Considerations for AS in the ICU .....	99
Tracking and Reporting the Impact of AS in the ICU .....	106
Conclusion .....	109

References .....	109
Self-Assessment Questions .....	116

## Infections in Critically Ill Patients III

Infections in Critically Ill Patients III Panel .....	123
---	-----

## Community-Acquired Meningitis

*By Hana R. Winders, Pharm.D., BCIDP*

Introduction .....	127
Pathophysiology .....	127
Management .....	130
Prevention .....	135
Antibiotic Stewardship for Bacterial Meningitis .....	136
Conclusion .....	137
References .....	138
Self-Assessment Questions .....	140

## Iatrogenic CNS Infections

*By Elizabeth W. Covington, Pharm.D., BCIDP,  
and Eljim P. Tesoro, Pharm.D., FNCS, FCCM, BCCCP*

Introduction .....	145
Review of CNS Anatomy .....	145
Neurosurgical Device-Related Infections .....	147
Neurosurgical Procedure-Related Infections .....	152
Medication-Related Infections .....	153
CNS Infections Secondary to Iatrogenic Immunosuppression .....	155
Intraventricular Antibiotics .....	157
Infection Prevention Strategies .....	162
Conclusion .....	163
References .....	163
Self-Assessment Questions .....	168

## Infections in Critically Ill Patients IV

Infections in Critically Ill Patients IV Panel .....	173
--	-----

## Interactive Case: Decreasing Blood Culture Contamination

*By David A. Cretella, Pharm.D., BCIDP*

Interactive Case: Decreasing Blood Culture Contamination Rates .....	177
Hyperlink to activity .....	178
Self-Assessment Questions .....	181

## Interactive Case: Duration of Therapy in Critical Care

*By Craig P. Worby, Pharm.D., BCIDP, BCCCP, BCPS*

Interactive Case: Duration of Therapy in Critical Care .....	185
Hyperlink to activity .....	185
Self-Assessment Questions .....	190
