St. Louis, Missouri

*Review and Recertification Course, Home Study Syllabus*

Janelle Mann, Pharm.D., BCOP, is a clinical oncology pharmacist at Siteman Cancer Center / Washington University School of Medicine in St. Louis, MO. She completed her Doctor of Pharmacy at St. Louis College of Pharmacy in 2009. She went on to complete both PGY1 Pharmacy Practice and PGY2 Oncology Pharmacy residencies at Froedtert Hospital in Milwaukee, WI. She currently practices in an ambulatory clinic focusing on thoracic malignancies as well as other medical oncology areas. She serves as the manager of clinical pharmacy services at Siteman and precepts residents from the PGY2 Oncology program at Barnes-Jewish Hospital. She also serves as adjunct faculty at St. Louis College of Pharmacy teaching in the area of oncology. She is a board certified oncology pharmacist.
