

**Kelly Fritz, Pharm.D., BCOP**

Oncology Clinical Coordinator

Huntsman Cancer Institute at the University of Utah

Salt Lake City, Utah

*Review and Recertification Course, Home Study Syllabus*

Dr. Kelly Fritz, Pharm.D., BCOP, is a clinical oncology pharmacist at the Huntsman Cancer Institute. She completed her undergraduate and pharmacy degree at Ohio Northern University in Ada, Ohio, and went on to complete a PGY-1 and PGY-2 in Oncology at the University of Utah. She currently works in the inpatient medical oncology unit as well as in the Neuro-oncology clinic at Huntsman. Her professional interests include pain and palliative care, chemotherapy and the blood-brain barrier, and the emerging world of immune therapy. Outside of work, Dr. Fritz is an avid triathlete and loves swimming, biking, and running with her husband and dog.
