

Tim Peterson, Pharm.D., BCOP

Clinical Pharmacy Specialist

Memorial Sloan Kettering Cancer Center

New York, New York

Review and Recertification Course, Home Study Syllabus

Tim Peterson, Pharm.D., BCOP, is a clinical pharmacy specialist in the multiple myeloma clinic at Memorial Sloan Kettering Cancer Center (MSKCC) in New York, New York. He earned his Pharm.D. degree at the University of Minnesota College of Pharmacy in Minneapolis. Tim completed an ASHP-accredited PGY-1 pharmacy practice residency at the University of Iowa Hospitals and Clinics (UIHC), followed by a PGY-2 oncology pharmacy residency at MSKCC. He has since worked as a clinical pharmacy specialist in the lymphoma and multiple myeloma clinics, focusing since 2017 on multiple myeloma. Tim serves as preceptor for multiple myeloma and gynecologic malignancies rotations for the MSKCC PGY-2 pharmacy residency program.
