Faculty and Reviewer Disclosures

Disclosures

In accordance with our accreditor's Standards of Integrity and Independence in Accredited Continuing Education, ASHP requires that all individuals in control of content disclose all financial relationships with ineligible companies. An individual has a relevant financial relationship if they have had a financial relationship with an ineligible company in any dollar amount in the past 24 months and the educational content that the individual controls is related to the business lines or products of the ineligible company.

An ineligible company is any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. The presence or absence of relevant financial relationships will be disclosed to the activity audience.

The following persons in control of this activity's content have relevant financial relationships:

- Anthony J. Perissinotti: Consultant and Advisory Board Member, Servier, BeiGene, Pfizer, Sanofi Aventis; Advisory Board Member, Abbvie, Rigel Pharmaceuticals, Janssen; Research Funding, Incyte
