

TABLE OF CONTENTS

Neonatal and Pediatric Sepsis I 1

Neonatal and Pediatric Sepsis I Panel	3
---	---

Congenital Infections

By Deborah S. Bondi, Pharm.D., BCPS, BCPPS

Introduction	7
Congenital Syphilis	8
Perinatal HBV	11
HIV-Exposed Neonates	13
Congenital CMV	17
Neonatal HSV	20
Conclusion	24
References	24
Self-Assessment Questions	27

Fungal Infections

By Lauren M. Oliveri, Pharm.D., BCPPS

Introduction	31
Diagnostic Options	32
Antifungal Agents	34
Treatment of IFIs	42
Conclusion	44
References	44
Self-Assessment Questions	48

Neonatal and Pediatric Sepsis II 51

Neonatal and Pediatric Sepsis II Panel	53
--	----

Central Line–Associated Bloodstream Infections

*By Nicholas M. Fusco, Pharm.D., BCPS, BCPPS;
and Emily Polischuk, Pharm.D., BCPPS*

Introduction	57
Epidemiology	57
Risk Factors	58
Sources of Infection	59
Prevention	59
Clinical Manifestations	61
Diagnosis	61
Indications for Treatment	63
Catheter Management	63
Antimicrobial Therapy	63

Lock Therapy	67
Conclusion	69
References	70
Self-Assessment Questions	74

Antimicrobial Resistance

By Jennifer Ellis Girotto, Pharm.D., BCPPS

Introduction	77
Gram-positive Organisms: Focus on <i>S. aureus</i> and <i>S. pneumoniae</i>	80
Gram-negative Organisms: Focus on <i>P. aeruginosa</i> , <i>E. coli</i> , <i>K. pneumoniae</i> , and <i>Enterobacter</i> spp.	85
Role of ASPs in Preventing and Treating Antimicrobial-Resistant Bacteria	89
References	92
Self-Assessment Questions	96

Clinical and Practice Updates I 99

Clinical and Practice Updates I Panel	101
---	-----

Recorded Webcast: Promoting Antimicrobial Stewardship in the NICU

By Kelly Joan Burch, Pharm.D.

Recorded Webinar: Promoting Antimicrobial Stewardship in the NICU	105
References	106
Self-Assessment Questions	107

Interactive Case: Neonatal Sepsis

By Barnabas John, Pharm.D., BCPS, BCPPS

Interactive Case: Neonatal Sepsis	111
References	112
Self-Assessment Questions	113

Interactive Case: Sepsis in the Patient with Immunocompromise

*By Barrett R. Crowther, Pharm.D., FAST, BCPS;
and Elizabeth Oates Hand, Pharm.D., BCPS*

Interactive Case: Sepsis in the Immunocompromised Patient	117
References	118
Self-Assessment Questions	120
