Emergency Medicine I 1

Emergency Medicine I Panel 3

Pediatric Poisonings

*By Natalija M. Farrell, Pharm.D., BCPS, DABAT;
and Jessica L. Corio, Pharm.D., BCPS*

Introduction	7
General Management Strategies	11
Opioids – Methadone and Buprenorphine	12
Cardiovascular Drugs	14
Sulfonylureas	15
Antidepressants – SSRIs, SNRIs, Bupropion, and Tricyclic Antidepressants	16
Benzonatate	17
Chloroquine and Hydroxychloroquine	17
Toxic Alcohols	18
Laundry Pods	19
e-Cigarettes	20
Button Batteries	20
Conclusion	21
References	21
Self-Assessment Questions	26

Pediatric Trauma

By Kimberly D. Jones, Pharm.D., BCPS, BCPPS

Introduction	29
Trauma Evaluation	29
Traumatic Brain Injury	33
Hemorrhage	37
Orthopedic Injuries	39
Antimicrobial Prophylaxis	42
Conclusion	43
References	43
Self-Assessment Questions	46

Emergency Medicine II 51

Emergency Medicine II Panel 53

Status Epilepticus

By Sandra Merino, Pharm.D., BCPPS

Introduction	57
Pathophysiology	60
Stabilization and Supportive Care	60
Detection and Treatment of the Underlying Cause	60
Pharmacologic Management of Early SE	64
Antiseizure Drugs for the Treatment of Established Status Epilepticus	68

Treatment of NCSE	73
Areas for Future Research	73
Conclusion	73
References	73
Self-Assessment Questions	75

Pediatric Resuscitation

By Rebecca J. Gragg, Pharm.D., BCPPS

Introduction	79
Respiratory Arrest	80
Pediatric Shock	84
Pediatric Cardiac Arrest	85
Practical Tools for Pediatric Pharmacists	87
Psychological Impact of Pediatric Death	95
Conclusion	97
References	97
Self-Assessment Questions	100

Emergency Medicine III 105

Emergency Medicine III Panel 107

Endocrine Emergencies

By Katelin Kimler, Pharm.D., BCPPS

Introduction	111
Diabetic Ketoacidosis	111
Hypoglycemia	117
Hypocalcemia	121
Adrenal Crisis	123
Uncommon Pediatric Endocrine Emergencies	126
Conclusion	129
References	129
Self-Assessment Questions	132

Human and Animal Bite Wounds

By Elizabeth VanWert, Pharm.D., BCPS

Introduction	135
Infection Prevention and Wound Management	135
Dogs and Cats	142
Rodents and Pests	142
Macaque Monkeys	143
Reptiles	145
Scorpions and Spiders	149
Marine Envenomation	153
References	155
Self-Assessment Questions	160

Emergency Medicine IV165
 Emergency Medicine IV Panel 167

Interactive Case: Pediatric Agitation and Aggression

By Andrea P. Dunn, Pharm.D., BCPPS, AE-C

Interactive Case: Pediatric Agitation and Aggression 172
 References 172
 Self-Assessment Questions 174

Interactive Case: Status Asthmaticus

By Sana J. Said, Pharm.D., BCPPS

Interactive Case: Status Asthmaticus 179
 References 180
 Self-Assessment Questions 182

Recorded Webcast: Disaster Preparedness in the Pediatric Emergency Department
