# TABLE OF CONTENTS

## Current Issues in Pharmacotherapy I
- Current Issues in Pharmacotherapy I Panel

## Solid Organ Transplantation
*By Christina Teeter Doligalski, Pharm.D., BCPS, CPP*
- Introduction
- Updates in Organ Allocation and Distribution
- Induction Immunosuppression
- Maintenance Immunosuppression
- Rejection
- Chronic Allograft Injury
- Conclusion
- References
- Self-Assessment Questions

## Infection Prophylaxis in the Immunocompromised Patient
*By Brandon Dionne, Pharm.D., BCPS-AQ ID, BCIDP, AAHIVP; and David W. Kubiak, Pharm.D., BCPS-AQ ID*
- Introduction
- Populations of Patients with Immunocompromise
- Clinical Guidelines
- Prophylaxis Against Bacterial Infections
- Prophylaxis Against Fungal Infections
- Prophylaxis Against Protozoal Infections
- Prophylaxis Against Viral Infections
- Prophylaxis Against HSV/VZV Infections
- Conclusion
- References
- Self-Assessment Questions

## Long-Term Management of Corticosteroids
*By Lisa M. Potter, Pharm.D., FCCP, FAST, BCPS; and Jennifer Austin Szwak, Pharm.D., BCPS*
- Introduction
- Complications of Long-Term Oral Corticosteroids
- Complications of Inhaled and Intra-articular Corticosteroids
- Opportunities for the Pharmacist
- Conclusion
- References
- Self-Assessment Questions

## Medical Cannabis
*By Mary Barna Bridgeman, Pharm.D., FASCP, BCPS, BCGP*
- Introduction
- Medical Cannabis Primer
- Clinical Uses of Cannabis
- Other Health Effects of Cannabis
- Cannabis Laws and Regulation
- Conclusion
- References
- Self-Assessment Questions

## Current Issues in Pharmacotherapy II
- Current Issues in Pharmacotherapy II Panel

## Infection Prophylaxis in the Immunocompromised Patient
*By Brandon Dionne, Pharm.D., BCPS-AQ ID, BCIDP, AAHIVP; and David W. Kubiak, Pharm.D., BCPS-AQ ID*
- Introduction
- Populations of Patients with Immunocompromise
- Clinical Guidelines
- Prophylaxis Against Bacterial Infections
- Prophylaxis Against Fungal Infections
- Prophylaxis Against Protozoal Infections
- Prophylaxis Against Viral Infections
- Prophylaxis Against HSV/VZV Infections
- Conclusion
- References
- Self-Assessment Questions

## Current Issues in Pharmacotherapy III
- Current Issues in Pharmacotherapy III Panel

## Interactive Case: BK Virus in Immunocompromised Patients
*By Jonathan R. Ptachinski, Pharm.D., BCPS, BCOP*
- Interactive Case: BK Virus in Immunocompromised Patients
- References
- Self-Assessment Questions

## Recorded Webcast: EHR Use in Acute Care Pharmacy Services
*By Christopher R. Zimmerman, Pharm.D., BCPS*
- Recorded Webcast: EHR Use in Acute Care Pharmacy Services
- References
- Self-Assessment Questions

## Statistics in Practice: Nature of Data, Descriptive Statistics and Presentation of Data
*By: Curtis E. Haas, Pharm.D., FCCP*
- Statistics in Practice: Nature of Data, Descriptive Statistics and Presentation of Data
- References
- Self-Assessment Questions
