## Chronic Kidney Disease in Patients with Diabetes

*By Elizabeth Van Dril, Pharm.D., BCPS, BCACP, CDCES; and Christie Schumacher, Pharm.D., FCCP, BCPS, BCACP, BCCP, BC-ADM, CDCES*

|  |    |
|--|----|
| Introduction .....                                   | 7  |
| Diagnosis .....                                      | 9  |
| Prevention and Delaying the Progression of CKD ..... | 10 |
| Management of ESKD .....                             | 26 |
| Conclusion .....                                     | 29 |
| References .....                                     | 29 |
| Self-Assessment Questions .....                      | 33 |

## Diabetes Technology

*By Diana Isaacs, Pharm.D., FCCP, BCPS, BCACP; and Katelyn O'Brien, Pharm.D., BCPS, CDCES, BC-ADM*

|   |    |
|---|----|
| Introduction .....                        | 37 |
| Continuous Glucose Monitors .....         | 38 |
| Insulin Pumps .....                       | 45 |
| Connected Insulin Pens and Pen Caps ..... | 48 |
| Data Analysis .....                       | 49 |
| Data Interpretation .....                 | 50 |
| Education and Training .....              | 52 |
| Conclusion .....                          | 56 |
| References .....                          | 56 |
| Self-Assessment Questions .....           | 58 |
