

2021 ACCP/ASHP Solid Organ Transplantation Pharmacy Preparatory Review Course

Program Goals and Target Audience

Solid Organ Transplantation Pharmacy Preparatory Review Course is designed to help pharmacists who are preparing for the Board of Pharmacy Specialties certification examination in Solid Organ Transplantation Pharmacy as well as those seeking a general review and refresher on disease states and therapeutics. The program goals are as follows:

1. To present a high-quality, up-to-date overview of disease states and therapeutics.
2. To provide a framework to help attendees prepare for the specialty certification examination in Solid Organ Transplantation Pharmacy.
3. To offer participants an effective learning experience using a case-based approach with a strong focus on the thought processes needed to solve patient care problems in each therapeutic area.
