

2021 ACCP/ASHP Solid Organ Transplantation Pharmacy Review Course Content Outline

2021 Solid Organ Transplantation Pharmacy Review Course – Transplant Immunology

Faculty: Maya Campara, Pharm.D., BCPS

2021 Solid Organ Transplantation Pharmacy Review Course – Induction and Management of Acute Cellular Rejection

Faculty: Steven Gabardi, Pharm.D., BCPS

2021 Solid Organ Transplantation Pharmacy Review Course – Maintenance of Immunosuppression, Part One

Faculty: Kimberly Boyle Harrison, Pharm.D., BCPS

2021 Solid Organ Transplantation Pharmacy Review Course – Kidney Transplantation

Faculty: Cassie Stromayer Muran, Pharm.D., BCPS

2021 Solid Organ Transplantation Pharmacy Review Course – Liver Transplantation

Faculty: Lindsey P. Toman, Pharm.D., BCPS

2021 Solid Organ Transplantation Pharmacy Review Course – Pancreas and Islet Cell Transplantation and Intestinal Transplantation

Faculty: Jennifer C. Hagopian, Pharm.D., BCPS; Alicia C. Lichvar, Pharm.D., M.S., BCPS

2021 Solid Organ Transplantation Pharmacy Review Course – Heart Transplantation

Faculty: Michael Shullo, Pharm.D.

2021 Solid Organ Transplantation Pharmacy Review Course – Lung Transplantation

Faculty: Lisa Potter, Pharm.D., BCPS, FCCP, FAST

2021 Solid Organ Transplantation Pharmacy Review Course – Maintenance of Immunosuppression, Part Two

Faculty: Cassie Stromayer Muran, Pharm.D., BCPS; Lindsey P. Toman, Pharm.D., BCPS; Jennifer C. Hagopian, Pharm.D., BCPS; Michael Shullo, Pharm.D.; Lisa Potter, Pharm.D., BCPS, FCCP, FAST

2021 Solid Organ Transplantation Pharmacy Review Course – Infection Prevention and Management in Solid Organ Transplant Patients

Faculty: Maressa Santarossa, Pharm.D., BCPS, BCIDP

2021 Solid Organ Transplantation Pharmacy Review Course – Prevention and Management of Malignancy in Solid Organ Transplant Patients

Faculty: Bharath Ravichandran, Pharm.D., BCPS

2021 Solid Organ Transplantation Pharmacy Review Course – Primary Care of the Solid Organ Transplant Patient

Faculty: Claire Kane, Pharm.D., BCPS

2021 Solid Organ Transplantation Pharmacy Review Course – Special Considerations in Pediatric and Geriatric Transplant Populations

Faculty: Sarah Bova, Pharm.D., BCPS; Tim Humlicek, Pharm.D.

2021 ACCP/ASHP Ambulatory Care Pharmacy Preparatory Review and Recertification Course - Trial Design and Biostatistics

Faculty: Katie Suda, Pharm.D., M.S.

2021 Solid Organ Transplantation Pharmacy Review Course – Continuity of Care and Managing Transitions of Care in the Transplant Patient

Faculty: Chelsea Sammons, Pharm.D.

2021 Solid Organ Transplantation Pharmacy Review Course – Transplant Regulations and Performance Improvement

Faculty: Tiffany E, Kaiser, Pharm.D., BCPS

2021 Solid Organ Transplantation Pharmacy Review Course – Transplant Resources, Patient Education, and Transplant Study Endpoints

Faculty: Amanda J. Condon, Pharm.D., BCPS

Supplementary Materials*

Approaches to Prevent and Manage Antibody Development

*Contributor: Angela Maldonado, Pharm.D., CPP, BCPS, FCCP, FAST Scientific Affairs Director
Hansa Biopharma AB Lund, Sweden*

Vascularized Composite Allotransplantation

*Contributor: Robin Klasek, Pharm.D., BCPS, Medical Science Liaison
Takeda Pharmaceuticals Boston, Massachusetts*

*Supplementary materials are not available for ACPE credit.
