

# 2022 ACCP/ASHP Solid Organ Transplantation Pharmacy Preparatory Review Course

## Content Outline

Transplant Immunology

*Faculty: Maya Campara, Pharm.D., FCCP, FAST, BCPS*

Induction and Management of Acute Cellular Rejection

*Faculty: Steven Gabardi, Pharm.D., FCCP, FAST, BCPS*

Maintenance of Immunosuppression Part One

*Faculty: Kimberly Harrison, Pharm.D., BCPS, BCTXP*

Kidney Transplantation

*Faculty: Cassie Stromayer Muran, Pharm.D., BCPS*

Liver Transplantation

*Faculty: Lindsey P. Toman, Pharm.D., BCPS, BCTXP*

Pancreas and Islet Cell Transplantation and Intestinal Transplantation

*Faculty: Jennifer C. Hagopian, Pharm.D., BCPS; Alicia C. Lichvar, Pharm.D., M.S., BCPS, BCTXP*

Heart Transplantation

*Faculty: Edward Horn, Pharm.D., BCCCP*

Lung Transplantation

*Faculty: Lisa Potter, Pharm.D., FCCP, FAST, BCPS*

Maintenance of Immunosuppression Part Two

*Faculty: Jennifer C. Hagopian, Pharm.D., BCPS; Edward Horn, Pharm.D., BCCCP; Lisa Potter, Pharm.D., FCCP, FAST, BCPS; Cassie Stromayer Muran, Pharm.D., BCPS; Lindsey P. Toman, Pharm.D., BCPS, BCTXP*

Infection Prevention and Management in Solid Organ Transplant Patients

*Faculty: Maressa Santarossa, Pharm.D., BCPS, BCIDP*

Prevention and Management of Malignancy in Solid Organ Transplant Patients

*Faculty: Jillian P. Casale, Pharm.D., BCPS, BCTXP*

Primary Care of the Solid Organ Transplant Patient

*Faculty: Clare Kane, Pharm.D., BCTXP, BCPS*

Special Considerations in Pediatric and Geriatric Transplant Populations

*Faculty: Sarah E. Bova, Pharm.D., BCPS, BCTXP; Tim Humlicek, Pharm.D.*

Trial Design and Biostatistics

*Faculty: Katie Suda, Pharm.D., M.S., FCCP*

Continuity of Care and Managing Transitions of Care in the Transplant Patient

*Faculty: Chelsea Sammons, Pharm.D.*

Transplant Regulations and Performance Improvement

*Faculty: Tiffany E. Kaiser, Pharm.D., M.S., FCCP*

Transplant Resources, Patient Education and Transplant Study Endpoints

*Faculty: Amanda J. Condon Martinez, Pharm.D., BCTXP, BCPS*

### **Supplementary Materials\***

Approaches to Prevent and Manage Antibody Development

*Faculty: Angela Maldonado, Pharm. D., CPP, BCPS, FCCP, FAST, Scientific Affairs Director, Hansa Biopharma AB, Lund, Sweden*

Vascularized Composite Allotransplantation

*Faculty: Robin Klasek, Pharm.D., BCPS, Medical Science Liaison, Takeda Pharmaceuticals, Boston, Massachusetts*

\*Supplementary materials are not available for continuing pharmacy education credit.
