ROLE OF BPS: The Board of Pharmacy Specialties (BPS) is an autonomous division of the American Pharmacists Association (APhA). BPS is totally separate and distinct from ACCP. The Board, through its specialty councils, is responsible for specialty examination content, administration, scoring, and all other aspects of its certification programs. CCSAP has been approved by BPS for use in BCCCP recertification. Information about the BPS recertification process is available [online](#).

Questions regarding BCCCP recertification should be directed to:
