

## **ACCP Annual Meeting Research Fellowship Platform Presentations Frequently Asked Questions**

### **What is the deadline for abstract submission?**

Sunday, September 1, 2024, 11:59 p.m. PDT

### **What are the notification dates for accept/decline decisions?**

Notification by September 9, 2024

### **When is the Annual Meeting early registration discount deadline?**

September 16, 2024

### **Do Research Fellowship Platform Presenters receive travel stipends or complimentary registration?**

Support for Fellowship Platform presenters is not available.

### **What types of research will be considered?**

Abstracts submitted for consideration of the Research Fellowship Platform Presentations must follow the abstract structure and instructions for one of these three submission types: Original Research, Encore Presentation or Systematic Reviews/Meta-Analyses. Research must be complete at the time of the submission. The online submission system will only accept abstracts that follow the Original Research format – if you want to submit an Encore or Systematic Review/Meta-Analysis abstract email Sheldon Holstad at [sholstad@accp.com](mailto:sholstad@accp.com).

### **Who is eligible to submit an abstract?**

Those eligible for presentation include current research fellowship trainees at the time of submission or those who have completed fellowship training within the last year.

### **What is the format for the Research Fellowship Platform Presentations?**

The Research Fellowship Platform Presentations will be a 60-minute session at the ACCP Global Conference and consist of multiple short presentations with time for questions/discussion. Each session will be facilitated by moderator(s) who will serve to stimulate discussion.

### **Can I still apply for a Research Fellowship Platform Presentation if I previously submitted my abstract under a different category?**

Yes. Email Sheldon Holstad at [sholstad@accp.com](mailto:sholstad@accp.com) for assistance.
