2015 ACCP GLOBAL CONFERENCE ON
CLINICAL PHARMACY

Saturday, October 17 – Wednesday, October 21

Connect with colleagues, mentors, and friends at the 2015 ACCP Global Conference on Clinical Pharmacy, clinical pharmacy’s most anticipated event for national and international practitioners, educators, postgraduate trainees, and students.

This meeting offers cutting-edge educational programming presented by some of the world’s leading practitioners and researchers. The meeting schedule of events will include engaging educational programming on current clinical and professional issues; specialty recertification symposia in ambulatory care pharmacy, pharmacotherapy, and oncology pharmacy; highly specialized Practice and Research Network (PRN) focus sessions; scientific poster and platform presentations; unmatched networking opportunities; and much more!

The 2015 ACCP Global Conference on Clinical Pharmacy will be held October 17–21 in the “City by the Bay”—San Francisco, California. Global Conference attendees will have the opportunity to experience the unique charm, cultural diversity, exotic cuisine, and dramatic coastal panorama offered by this captivating city, making it the ideal meeting destination. During your stay in San Francisco, take advantage of the city’s wide choice of dining options, explore eclectic neighborhoods like the Castro District and Chinatown, or experience its world-renowned contemporary and modern art museums, theaters, and popular tourist attractions, including the San Francisco Museum of Art, Fisherman’s Wharf, Alcatraz Island, and Golden Gate Park.
CONTINUING PHARMACY EDUCATION CREDIT

The American College of Clinical Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education (CPE). The 2015 ACCP Global Conference on Clinical Pharmacy will provide up to 19.0 contact hours of CPE credit. Up to 9.5 additional contact hours are possible through participation in the premeeting symposia.

Meeting Goals and Target Audience

The ACCP Global Conference on Clinical Pharmacy is designed for clinical practitioners, educators, residents, fellows, and pharmacy students engaged in all aspects of clinical pharmacy. The educational program developed for the conference provides attendees with new, high-quality information that is challenging and applicable to their practice. The program goals are as follows:

- To update clinical pharmacists on new therapeutic advances and management strategies;
- To enhance attendees’ clinical, research, teaching, and leadership skills;
- To discuss the challenges of expanding the scope of pharmacy practice and emerging practice models; and
- To present opportunities in clinical pharmacy and global health.

For complete information on each CPE activity’s goals, learning objectives, faculty, schedule, and registration fees, as well as the process required to receive CPE credit, consult the ACCP Web site at www.accp.com(gc).

Keynote Address: "Measuring Quality in Patient-Centered Care—Challenges and Opportunities"

Monday, October 19: 7:45 a.m. – 9:00 a.m.

Michael S. Barr, M.D., MBA, FACP, Executive Vice President, Research, Performance Measurement and Analysis, National Committee for Quality Assurance, Washington, D.C.

Plan to attend the keynote address as Dr. Barr discusses the “big-picture framework” for quality measurement in the evolving U.S. health care delivery system and its alignment with international efforts and measures in other advanced countries. In his address, Dr. Barr will review the commonalities and differences in “what quality means” to patients, providers, payers, and policy-makers and share the lessons learned from various quality measurement approaches. Dr. Barr will also identify areas of quality measurement in medication use that clinical pharmacists can directly affect, and that align with and support, broader health quality goals and efforts.

PRN Focus Sessions

The 2015 ACCP Global Conference agenda includes 23 educational programs developed by ACCP’s Practice and Research Networks (PRNs). These specialty sessions will present the latest information on topics in many different therapeutic and practice areas.
PROGRAMMING APPROVED FOR SPECIALTY RECERTIFICATION

From Theory to Practice: Clinical Reasoning Series in Ambulatory Care Pharmacy—Novel Agents and Management Strategies in Endocrinology

Saturday, October 17: 8:30 a.m. – 4:30 p.m.

Approved for BCACP and BCPS Recertification!

Once again, From Theory to Practice: Clinical Reasoning Series in Ambulatory Care Pharmacy has been approved by the Board of Pharmacy Specialties for the recertification of Board Certified Ambulatory Care Pharmacists (BCACPs) and Board Certified Pharmacotherapy Specialists (BCPSs). This year’s program will provide an in-depth analysis of the current evidence on the use of various agents approved for the management of type 2 diabetes mellitus and obesity and will discuss implications on pharmacist patient-care services.

BCACPs and BCPSs can earn 6.0 hours of recertification credit. Partial credit is not available. Participants who are certified in both ambulatory care pharmacy and pharmacotherapy will earn 6.0 hours of credit toward recertification in both specialties. To earn recertification credit for From Theory to Practice: Clinical Reasoning Series in Ambulatory Care Pharmacy, BCACPs and BCPSs must attend the full live program and successfully complete the Web-based posttest for the program by November 30, 2015. To learn more about earning BCACP recertification credit, please visit www.accp.com/careers/boardbcacp.aspx. For information on BCPS recertification credit, please visit www.accp.com/careers/boardbcps.aspx.

A separate registration fee is required to attend this session. See page 17 for registration rates.
From Theory to Bedside: Clinical Reasoning Series—Heart Failure: Current and Emerging Management Strategies

Saturday, October 17: 8:30 a.m. – 4:30 p.m.

Approved for BCPS and BCACP Recertification!

From Theory to Bedside: Clinical Reasoning Series has been approved by the Board of Pharmacy Specialties for the recertification of BCPSs and BCACPs.

This year’s program will focus on contemporary strategies for the optimal management of patients with chronic and acute decompensated heart failure. Sessions will detail and apply evidence that helps inform individual patient care and advances pharmacist services.

BCPSs and BCACPs can earn 6.0 hours of recertification credit. Partial credit is not available. Participants who are certified in both ambulatory care pharmacy and pharmacotherapy will earn 6.0 hours of credit toward recertification in both specialties. To earn recertification credit for From Theory to Bedside: Clinical Reasoning Series, BCPSs and BCACPs must attend the full live program and successfully complete the Web-based posttest for the program by November 30, 2015.

To learn more about earning BCPS recertification credit, please visit www.accp.com/careers/boardbcps.aspx. For information on BCACP recertification credit, please visit www.accp.com/careers/boardbcacp.aspx.

A separate registration fee is required to attend From Theory to Bedside: Clinical Reasoning Series. See page 17 for registration rates.

The Oncology Pharmacy Specialty Sessions for BCOP Recertification

Board Certified Oncology Pharmacists (BCOPs) and other participants interested in oncology pharmacy should plan to attend the Oncology Pharmacy Specialty Sessions, cosponsored by ACCP, the American Society of Health-System Pharmacists (ASHP), and the Hematology/Oncology Pharmacy Association (HOPA). The Board of Pharmacy Specialties has approved this programming for credit toward recertification in oncology pharmacy.

BCOPs can earn 6.0 hours of recertification credit. Partial credit is not available. The sessions will be presented on Tuesday, October 20, 1:30 p.m. to 4:30 p.m., and Wednesday, October 21, 8:00 a.m. to 11:00 a.m. BCOPs must attend both sessions and successfully complete a Web-based posttest by December 31, 2015, to earn recertification credit in oncology pharmacy. A separate fee is required to access the Web-based posttest.

To learn more about the Oncology Pharmacy Specialty Sessions and ways to earn BCOP recertification credit, please visit www.accp.com/careers/boardbcop.aspx.
The ACCP Academy provides flexible, curricular-based professional development programs leading to a certificate of completion in three tracks: Leadership and Management, Research and Scholarship, and Teaching and Learning. Graduates unanimously agree that participating in the ACCP Academy improved their practice. The 2015 Global Conference on Clinical Pharmacy will offer the following programming for Academy credit:

**Leadership and Management Certificate Program**
- Leadership Primer, I*
- Leadership Primer, II
- Leadership Skills to Advance Practice and Improve Community Health (Elective)
- Leadership and Management Elective (TBD)
- Personal Leadership Development

**Research and Scholarship Certificate Program**
- Research Primer*
- Medication Safety: National and International Perspectives (Elective)**
- Issues in U.S.-Based International Research (Elective)**
- Basics of Clinical Research

**Teaching and Learning Certificate Program**
- Teaching and Learning Primer*
- Planning for Effective Teaching
- Integration of CAPE 2013 with ABE (Elective)
- Education and Training PRN Focus Session—Maximizing Learner Assessment: Focus on Developing Metacognitive Skills (Elective)***

* These educational sessions will be presented as premeeting symposia on Saturday, October 17, and they require separate registration.
** Developed by the 2015 Global Conference on Clinical Pharmacy Program Planning Committee.
*** Developed by an ACCP PRN and approved for elective credit.

Participants do not need to be enrolled in an Academy certificate program to attend these sessions and receive CPE credit. However, those enrolled in the Academy can receive credit toward their certificate of completion. For complete information on the ACCP Academy certificate programs, visit [www.accp.com/academy](http://www.accp.com/academy).

On Tuesday morning, October 20, during the Scientific Paper Platform Presentations, participate in brief scientific paper presentations followed by invited clinical commentaries and audience Q&A.
PROGRAMMING FOR STUDENTS AND POSTGRADUATE TRAINEES

Emerge from the Crowd: How to Become a Standout Residency Candidate

Saturday, October 17; 1:00 p.m. – 7:00 p.m.

Learn from experts in the field of clinical pharmacy about the steps you can take now to rise above the competition when applying for a residency. Topics include navigating the P4 year, the residency application process, and curriculum vitae writing. Attendees will also have the opportunity to participate in a special roundtable session facilitated by current pharmacy residents and clinical pharmacy professionals. Sit down with these clinicians to ask questions and acquire their perspectives on everything from applying and interviewing for residencies to excelling within the daily demands of residency.

Chart the Course of Your Professional Future

Saturday, October 17; 1:00 p.m. to 6:30 p.m.

Residents, make plans to attend this premeeting symposia designed to prepare residents to acquire their next position and lay the groundwork for a successful professional future. Registration for Chart the Course is included with your Global Conference registration fee.

Clinical Pharmacy Career Path Roundtables

Sunday, October 18; 2:15 p.m. – 4:00 p.m.

Join fellow attendees for this dynamic session with insights on career pathways and opportunities within the clinical pharmacy profession. Students and postgraduate trainees will interact directly with clinical pharmacists in over 15 specialty practice areas and discover a variety of unique career opportunities.

ACCP Residency and Fellowship Forum

Sunday, October 18; 8:00 a.m. – 9:30 a.m., 10:00 a.m. – 11:30 a.m. and 1:00 p.m. to 2:30 p.m.

The Residency and Fellowship Forum offers students and residents a chance to jump-start their search for a residency or fellowship position. Likewise, preceptors can get a head start on finding the right candidates for their hospitals or institutions. Opportunities for PGY1, PGY2, and fellowship positions will be on display at this event. You must be registered for at least a 1-day registration for Sunday, October 18, of the 2015 Global Conference to be eligible to attend the forum. For complete information on the residency and fellowship, visit www.accp.com/meetings/gc15/resfelforum.aspx.

JUST STARTING YOUR PHARMACY CAREER?
USE THE ON-RAMP TO GET UP TO SPEED

If you are a resident, fellow, or new practitioner, ACCP offers an abundance of educational programs that will apply to your practice and further develop your career. 2015 Global Conference programs denoted with the merge symbol will help new practitioners gain momentum and get up to speed.
ACCP Student Chapter Forum
Monday, October 19; 8:00 a.m. – 10:30 a.m.

An open forum for student chapter officers, faculty and student liaisons, and anyone else interested in learning more about ACCP student chapters. This session is intended to facilitate an open discussion and review student chapter formation, achievements, successes, and challenges with the aim of spreading and sharing ideas and strategies between student chapters.

Scientific Poster Presentations
Sunday, October 18, to Wednesday, October 21

Scientific Poster Presentations will be on display from Sunday, October 18, to Wednesday, October 21. Original research that describes the delivery, development, justification, or documentation of innovative clinical pharmacy services will be on display each day.

Engaging in Scholarly Activity
Monday, October 19; 1:30 p.m. – 3:30 p.m.

Learn about the skills and experiences residency program directors seek in the successful residency candidate. Discover how to get started in scholarly activity and how to market your experiences. Students in their last year of pharmacy school will want to pay close attention to how they can still acquire experience in research and publication.

Education and Training PRN Mock-Interviewing Session
Monday, October 19; 6:00 p.m. – 9:00 p.m.

Join fellow attendees for a brief discussion on interviewing skills immediately following the Education and Training PRN business meeting. Clinical faculty and practitioners from around the nation will then conduct practice interviews for students getting ready to apply for jobs or residencies and for residents and fellows getting ready to apply for their first career positions. All educators, students, and postgraduate trainees are invited to attend.

ACCP CLINICAL PHARMACY CHALLENGE

Join fellow attendees for the ACCP Clinical Pharmacy Challenge as national student teams compete in the quarterfinal, semifinal, and final round competitions. Teams will face off in a quiz bowl-type format, answering questions in three distinct categories—Trivia/Lightning, Clinical Case, and Jeopardy-style. An expert panel of clinical pharmacy practitioners and educators has developed and reviewed the item content used in each segment.

Clinical Pharmacy Challenge Schedule

- **Saturday, October 17**
  9:00 a.m. – 11:45 a.m. .......... ACCP Clinical Pharmacy Challenge Quarterfinals
