All EMED PRN members are welcome to join this exciting new opportunity to advance Emergency Medicine pharmacy practice.

The EMED PRN has created a new program - the Collaborative Organization for Development of Emergency Medicine Pharmacists (CODE) – in order to encourage idea sharing and foster professional growth. Each year the program will match participants based on personally identified strengths and goals as they relate to Emergency Medicine pharmacy practice.

How to participate
Submit Participant Bio Form by 8/1/2011 to kyle.weant@uky.edu
Available on ACCP EM PRN website under “PRN Documents”

With the recent emergence of Emergency Medicine specialized pharmacy practice, strong collaboration is essential for the advancement of our practice.

“Teamwork is the ability to work together toward a common vision. The ability to direct individual accomplishments toward organizational objectives. It is the fuel that allows common people to attain uncommon results.”
-Andrew Carnegie
