Spahn; John R. Tomko; Ulfat Usta; Liza Wilson

ROLE OF BPS: The Board of Pharmacy Specialties (BPS) is an autonomous division of the American Pharmacists Association (APhA). BPS is totally separate and distinct from ACCP. The Board, through its specialty councils, is responsible for specialty examination content, administration, scoring, and all other aspects of its certification programs. PSAP has been approved by BPS for use in BCPS recertification. For more information about the BPS recertification process, click here.

Questions regarding BPS specialty recertification should be directed to:

Board of Pharmacy Specialties
